Italian Lime Plasters & Fine Finishes

Our NEW Computerized Color Tinting System From Italy Accurately Mixes Your Colors...

(It utilizes as many as 16 different mineral pigments to achieve an amazing array of colors)

In response to the demand by designers, architects, and artisans for a foolproof and accurate system of tinting stucco, Dimensions is proud to announce that we have acquired a custom color tinting system from Italy.

Ask about our NEW color deck featuring 160 Historic European Colors. Just \$45

plus S & H.

This NEW computerized custom color tinting system is calibrated to mix the 160 Historic Dimensions colors and more!

TINTED SAMPLE SIZES AVAILABLE: Ask about our "sample sizes" of any Dimensions plaster. These are perfect for spec boards and will save you money.

COLOR MATCHING: Please call for details.

Your Source for Italian Lime Plasters and Fine Finishes!
