AMERICAN RED CROSS  
GREATER PALM BEACH AREA CHAPTER

# LOGGIA

Jennifer Garrigues Interior Designs, Inc.

## Inspiration

Shiny but sultry, serene yet a visual treat to the senses. With stenciled creamy walls as a backdrop, one is peacefully transported to a vision of an Indian palace or the shimmering facade of the Taj Mahal. This loggia is a place away from it all, to reflect, to become calm and centered amid the exotic ambiance of its furnishings within and its panoramic view beyond.

## Biography

London-born, former high fashion model Jennifer Garrigues gathers her inspiration for striking and unusual designs from her frequent world travel. A love for architecture and interiors drew her from fashion to the New York School of Interior Design to learn the 'mechanics of the business.'

Her work has aired on several segments of HGTV and has been featured in The New York Times; Southern Accents; Architectural Digest; Coastal Living; Palm Beach Life; Florida Design; Florida International; Victoria Magazine; and Palm Beach Cottages & Gardens.

Professional affiliations include ASID (American Society of Interior Designers) and IIDA (International Interior Design Association). Jennifer Garrigues, Inc.
